

**FIND THEM ALL!**

Look through this table. Cross out all the answers of the **EIGHT** times table.

3	49	16	10	63	18	40	72
88	64	24	6	12	32	27	7
42	70	35	24	15	28	14	56
80	8	21	56	18	20	48	96

**That was awesome!**

**CUT IT UP!**

What the fractions of these numbers? Can you see a pattern?

**HINT:** Half ( $\frac{1}{2}$ ) is divided by 2  
 Quarter ( $\frac{1}{4}$ ) is divided by 4  
 Third ( $\frac{1}{3}$ ) is divided by 3

Half of 10 is _____	Third of 12 is _____	$\frac{1}{2}$ of 4 is _____
Quarter of 20 is _____	Half of 100 is _____	Quarter of 8 is _____

**Time for Times!** Use your multiplication tables to complete this.

	2x	15÷	4x	5x	30÷	7x	8x	45÷	10x	11x	60÷
5 =											

**Well Done Trivia!**

Your ribs move about 5 million times a year, every time you breathe.
